## Question? Period. Exclamation!

Papi - 09.01.07

**Note:** The title is for **three** statements rendered herein. Read the entire poem once without pause as a question. Now read the blue highlighted words with a period. Lastly read the words highlighted and exclaimed in orange.

**From** whence came, these words of a prophet ...  
    **Never** before spoken ... 'til just here and just now  
**Words** seemingly to have been stored upon high ...  
    **Given** and rehearsed ... to be released this selfsame day  
**Formed** wisely in seclusion and by intellectual exam ...  
    **The** content thorough - through the certain of how  
**Release** the charge and complete the course of this ...  
    **Truth** of the tree ... hidden and revealing  
**This** excruciating knowledge being painfully certain ...  
    **We** cannot escape ... the determination is set  
**Creation** has demanded this change to change or ...  
    **Perish** we will in ashes ... repenting for not repenting.

**And** quarrel - as do fools - should any deny these verities ...  
    **We** are NOT allowed ... to deliver alterations but only to  
**Reveal** and discourse those long ago laws of transfer that ...  
    **Must** accomplish those ... multiple tasks of design unto  
**The** ultimate completion of division that crusades for all, to just ...  
    **Believe** that the end ... of this appointed age -  
**One** without remedy other than chaotic collapse is at hand and ...  
    **That**, things holy and pure ... and things both  
**True** and honest, lovely, just and of a good report is what ...  
    **He** as the creator of the universe ... our very ...  
**Father** who calls for us to live virtuously - praising and honoring him because he  
    **Is** ....
